Email Us: You can email the Board at seattlesampe@hotmail.com

SAMPE '10 – 17-20 May 2010 – WA State Convention Center - This will be the largest SAMPE conference ever held in Seattle with thousands of participants and hundreds of exhibitors. Full details are on the [website](#). *Please note that early registration discounts end on 19 April so reserve your seat now!* There are still some volunteer opportunities available, especially if your company is ITAR qualified. The website link above contains all of the details on volunteering. The exhibits are free if you just want to attend the exhibition. There are still a few exhibitor spaces available if your company would like to sign up.

Announcements (cont.)

Nominate a High School Teacher

SAMPE has agreed to sponsor 2 High School teachers from the Seattle area to attend the SAMPE 2010 International Conference in May 2010. If you have a High School Science Teacher you would like to nominate, please contact a member of the SAMPE Board. Additional information can be found on our website at www.sampeseattle.org. *Note – the deadline has been extended to 20 April and supersedes the deadline on the application form. If you know High School teachers that would be interested in this, please contact them!*

Board Business E-mail Distribution List

If you would like to be on the "Board & Others" distribution that is used to inform people of Board meetings and conduct other board business, please send an email with subject "SAMPE Board Distribution" to [Arlene Brown](#).

Newsletter

Please send any comments, questions or concerns about the newsletter to [Bob Yancey](#).

Job Postings

If you have a job posting, please send to [Bob Yancey](#) for posting on the website.

Graduates of the Last Decade (GOLD)

SAMPE GOLD is looking for younger engineers interested in networking and socializing with other young professionals in engineering. To learn more about GOLD, please contact [Anthony Nguyen](#).

Puget Sound Engineering Council – PSEC

PSEC coordinates a lot of educational outreach activities throughout the year at high schools and the local colleges to promote engineering to the next generation. We are looking for a SAMPE member who would coordinate SAMPE involvement in these outreach activities. If interested, please contact our PSEC rep, [Mike Kinsella](#).

STEM Program Mentoring – Bellevue College has a grant from NSF to provide mentoring in Science, Technology, Engineering, and Math (STEM) to college freshman. They are in need of a Mentor in the Manufacturing/Mechanical Engineering field. Please contact [Jeff Gavin](#) if interested.

Mark your Calendars

12 May - Order of the Engineer Ceremony at McCormick & Schmick's Harborside Restaurant in Seattle. Get more details [here](#). Contact [Arlene Brown](#) if you would like to participate as an inductee or volunteer.

22 June 2010 – Tour of Delta Marine
