Delta Marine Tour

Join us for tour of Delta Marine. Delta creates luxury yachts for those who recognize and expect the very finest the world has to offer. Complete with a team of naval architects, marine engineers and skilled workers with years of experience in specialized fields, Delta expertly combines old-world craftsmanship and the latest technology. For more information visit their

web site at www.deltamarine.com.

When: *Tuesday*– June 22, 2010, 5:00 pm

Where: Delta Marine
Seattle, WA – near Boeing Field

Dinner: Arrangements will be made for dinner for those who want to eat and visit after the tour. Details will be sent to those who sign up.

Reservations: e-mail: seattlesampe@hotmail.com. There is a limit of 30 for the tour so RSVP early. Only current SAMPE members are allowed to sign up before 11 June on a first come-first served basis. After that, if any slots are still open, it will be opened up to any guests. If you sign up and find you will not be able to attend, please send an email to open up your slot to someone else.

RSVP as soon as possible!

Announcements

Website Address – Check us out and keep up to date at www.sampeseattle.org.

Email Us: You can email the Board at seattlesampe@hotmail.com

Board Business E-mail Distribution List

If you would like to be on the "Board & Others" distribution that is used to inform people of Board meetings and conduct other board business, please send an email with subject "SAMPE Board Distribution" to [Arlene Brown](#). *Don't forget to Vote for next year's officers!*

Newsletter

Please send any comments, questions or concerns about the newsletter to [Bob Yancey](#).

Job Postings

If you have a job posting, please send to [Bob Yancey](#) for posting on the website.

Puget Sound Engineering Council – PSEC

PSEC coordinates a lot of educational outreach activities throughout the year at high schools and the local colleges to promote engineering to the next generation. We are looking for a SAMPE member who would coordinate SAMPE involvement in these outreach activities. If interested, please contact our PSEC rep, [Mike Kinsella](#).

SAMPE '10

The SAMPE 2010 International Conference and Exhibition was a great success. Attendance was better than expected, the quality of the technical sessions was outstanding, and the exhibit area was full. Thanks to all of the volunteers, Board members, and organizers who made this a great event. If you have suggestions on how the conference could have been better, please let a member of the Board know so we communicate this to the Southern CA chapter who will be hosting the conference next year in Long Beach, CA.

2010-2011 Officers

Thanks to all of those who voted for the officers for the next year. The new Board (effective 1 July 2010) will be as follows:

Anthony Nguyen	<i>Chairman</i>
Laura Lu	<i>1st Vice Chairman</i>
Robert Yancey	<i>2nd Vice Chairman</i>
Jacob Grob	<i>Treasurer</i>
Joel Payne	<i>Secretary</i>

Our chapter continues to grow and we are always looking for volunteers to serve on committees, help with events, reach out to the community, etc. If you are interested in being more involved in the chapter, please contact a member of the Board.

Composites App Challenge

Owens Corning, one of our sponsors, is offering a \$200,000 development award for a composite application that can be introduced in 2012 and four cash awards for other ideas. One \$20,000 cash award is for anyone and three \$10,000 awards are reserved for university students. Entries are invited in the following four categories addressing some of society's pressing issues:

- Infrastructure Durability*
- Fuel Efficiency*
- Renewable Energy*
- Protection from Harm*

Participants must submit ideas or solutions [online](#) by July 15.
