New Scholarship Program

The SAMPE Seattle Chapter is excited to introduce a new scholarship program for the 2014-2015 school year. The Chapter Board of Directors has been working to put this together as a way to give back to our members and to provide support to college students pursuing a degree in a technical field. We are providing four \$1000 scholarships per year. Eligible recipients are either:

1. Children, grandchildren, or dependents of current SAMPE Seattle members majoring in a STEM field at a college or university, or
2. Current SAMPE student members at the University of Washington, Washington State University, or Western Washington University

Selections will be made by an independent organization, Scholarship America. The deadline for application is February 26th, 2014. We encourage all eligible students to apply! Applications and additional information can be found at www.sampeseattle.org. Questions can also be sent to [Bob Yancey](#).

Upcoming Event: Graco Supply Open House

Graco Supply is having an Open House on Friday, January 24th at their new location in Kent. The event starts with a ribboncutting at 3:00 p.m. There will be appetizers, local beer, and a full coffee service. For more information and to RSVP, visit

Puget Sound Materials Expo (PSME):

The PSME is February 25th, 2014 at the Museum of Flight near Boeing Field in South Seattle. The keynote speaker will be announced shortly.

We will soon be sending out a sponsor form for 2014. This will include information regarding sponsorship for 2014, PSME exhibit info, etc. Note, the sponsorship form is sent to one representative from each company, not everyone on the SAMPE list. Please contact [Joel Payne](#) if you think your company has not been included.
