Puget Sound Materials Expo

Our annual PSME event will be held on February 24th at the Museum of Flight. PSME will showcase many of our chapter sponsor companies and a student poster competition. Come see new industry developments, get answers to your materials and process questions, and support local students! This free event offers free museum access (until 5PM), free hors d'oeuvres, a no host bar, and raffle prizes (must be present to win).

When:

Tuesday, February 24, 2015

Exhibits: 2:00-8:00 PM

Poster Competition: 5:00-6:00 PM

Where:

Museum of Flight

9404 E. Marginal Way S.

Seattle, WA 98108

Student Opportunities

PSME Student Poster Competition: We are pleased to announce that we will be holding a student poster competition at the PSME event this February. To apply, please submit a 100-150 word abstract to newsletters@sampeseattle.org by **February 9, 2015**.

SAMPE Seattle Chapter Scholarship Program: The SAMPE Seattle Chapter will again offer up to four \$1000 scholarships to SAMPE undergraduate student members and dependents of active SAMPE members this year. Application forms are available on the website (sampeseattle.org) and are due **March 31, 2015**. Scholarships will be for the 2015-2016 academic year.

Educational Outreach

We encourage all of our members to reach out to junior highs, high schools, community and church youth organizations, community colleges, and universities to promote advanced materials and materials processing careers. If you need financial support for any of these efforts, please submit a proposal to the SAMPE Seattle Board for consideration.

Please send any comments, questions or concerns about the newsletter to: newsletters@sampeseattle.org
