SAMPE Baltimore – May 18-21

We hope to see many of you in Baltimore next week for the annual SAMPE Tech Conference.

May 18-21: Conference | May 19-20: Exhibits

This conference will feature a keynote presentation by Dr. Thomas Russell, Director of the U.S. Army Research Laboratory. Dr. Russell will be presenting “Army Research Laboratory: Accelerating Innovation and Discover through the Open Campus Ecosystem.” For more information about this event, including exhibiting companies and a complete conference program, please visit <http://www.sampebaltimore.org/>.

All SAMPE students who are participating in the bridge and/or additive manufacturing competitions at SAMPE Baltimore are encouraged to submit a list of entries and student names for travel assistance. Please send travel assistance requests to our SAMPE Seattle Chapter Treasurer, Mohamed Azdamou, at mohamed.azdamou@boeing.com.

Board Member and Committee Chair Positions for 2015-2016

The SAMPE Seattle Chapter will be electing a new board for the 2015-2016 year. The current board members have also decided to reinstate committees, including student affairs/outreach and website. If you are interested in learning more about these positions, would like to be nominated to hold one of these positions, and/or know someone who may want to hold one of these positions, please look for more information in the June newsletter.

Student Opportunities

SAMPE Seattle Chapter Scholarship Program: Thank you to all students who applied for this year’s SAMPE Seattle Chapter Scholarship Program. Scholarship award recipients will be notified by June 30, 2015.

The SAMPE Seattle Chapter would like to extend an offer to pay the membership fee for students for the first year following graduation. Please email newsletters@sampeseattle.org your date of graduation and membership renewal receipt.
