## Puget Sound Material Expo

Our annual PSME event will be held on February 23<sup>rd</sup> at the Museum of Flight. This event showcases our sponsor companies and is a great opportunity to for our members to see new industry

developments, get answers to materials and process questions, and support local students. In 2015, there were 27 exhibitors and over 160 attendees. Also in 2015, our first annual student poster competition featured 8 entries and student research from UW and WSU.

#### Student Poster Competition

We will be holding a student poster competition at the PSME event. Students interested to apply, please submit a 100-150 word abstract to [newsletters@sampeseattle.org](mailto:newsletters@sampeseattle.org) by February 5, 2016

#### Happy 2016!

On December 10<sup>th</sup> 2015, we had our end of the year celebration. This was a good opportunity to reconnect with colleagues and friends. For those who could not participate, we wish you a Happy and Successful 2016!
