SAMPE Student Night 2017

The SAMPE Seattle Chapter is hosting its annual Student Night to showcase the research and activities of our SAMPE student members on **April 24th**! This year, we are changing the format and will have a **poster competition** rather than a series of university presentations. We hope this will encourage networking and the opportunity for multiple students to share their research rather than just a select few. Additionally, we are pleased to announce that the **UW Hyperloop Team** will be giving a presentation on their project focused on a conceptual high-speed transportation system proposed by Elon Musk. For more information on the UW Hyperloop Team's mission, please visit: <http://hyperloop.io>.

When:

Monday, April 24, 2017

UW Waterfront Activities Center
3710 Montlake Blvd NE, Seattle WA

Poster Competition Announcement

In lieu of presentations from only 1-2 students per university chapter at SAMPE Student Night, we are holding a poster competition to encourage participation from any interested student! The winners of the competition will be chosen by SAMPE Student Night attendees (1st place - \$150 Amazon gift card, 2nd place - \$100 Amazon gift card, 3rd place - \$50 Amazon gift card). For more information, please see the guidelines that are posted on our website (www.sampeseattle.org).

If you plan to participate in the poster competition, you must notify SAMPE Seattle at newsletters@sampeseattle.org by **Monday, April 17** to ensure there are enough easels to mount all entries.
