Joint Meeting with ASM

The SAMPE Seattle Chapter invites you to join us for a joint meeting with the local ASM chapter at Razzis Pizzeria in Greenwood. In addition to being a great opportunity to network with ASM members, Harrison Scarborough, an engineer at Electroimpact is going to give a presentation titled: ***Manufacturing of Carbon Composites; An Automated Approach.*** The presentation will include an

introduction to automated manufacturing of carbon composites with an emphasis on the subsystems needed to ensure part quality and repeatability. Harrison will provide an overview from tape/fiber lay down to the complex methods of part inspection and everything in between.

***** **Please RSVP by January 12th!!!** *****

- SAMPE Members and students with RSVP: **Free**

Puget Sound Materials Expo

The Puget Sound Materials Expo (PSME) is only a month away! PSME is a *FREE* annual exhibition of SAMPE Seattle Chapter sponsor companies. PSME is a great opportunity to network with our sponsors that span SAMPE's core industries from materials, manufacturing, and tooling to design, analysis and beyond.

This year, we'll be returning to the **Museum of Flight in Seattle**. Please check your email for our annual solicitation for sponsorship of the SAMPE Seattle Chapter to participate in PSME 2018.

Thanks again to our 2017 sponsors! We hope your company considers sponsorship and participation in another successful PSME! For more information, please contact [Giovanni Nino](#).
