Monday May 17, 2010

Registration Opens at 7:30AM

Fellows Banquet – 6PM – 9PM, Red Lion Hotel Emerald Ballroom

Join us as we honor this year's class of SAMPE Fellows. The Fellow Banquet is included with FULL conference registration. Purchase additional tickets at Registration for \$85.

Tuesday May 18, 2010

Keynote Presentation at 8AM – 9AM, Room 6C

High-Performance Carbon Nanotube-Incorporated Polymeric Nanocomposites // Morinobu Endo

Featured Lecture at 9:25AM – 10:15AM, Room 2B

Design and Manufacture of Composites on Military Aircraft: Where Are We At and Where Do We Need to Go? // Dr John Russell

Bridge Building & Wing Contest – 10AM – 4PM, North Lobby / SAMPE Registration Area

Witness talented engineering students in action as they test their bridges and wings in the annual contest!

Featured Lecture at 2PM – 2:50PM, Room 307-308

Emerging Trends in Design and Analysis of Composite Aerospace Structures // Eric Cregger

LinkedIn – SAMPE Technical Communities – 4:00 – 5:00 PM, Room 304

SAMPE is sponsoring a series of online Technical Communities (TCs) through the LinkedIn system. We now have 10 LinkedIn TCs, most of which are growing quickly, as well as the LinkedIn SAMPE Group. The topics of the existing TCs are: Nanotechnology, Adhesion, Resins, Out-of-Autoclave Cure, Tooling, Space Applications, Energy Applications, Marine Applications, Thermoplastics, and Transportation Applications. Search for these topics and join on LinkedIn.com now! If you would like to participate as a group leader, moderator, or want to start a new topic area, please come by to this meeting for more information!

Welcome Reception – 5PM – 6PM Outside SAMPE Registration Area

Our welcome reception is a networking hotspot. Beer, wine and sodas as well as hors d'oeuvres will be served. All badged attendees are welcome.

Wednesday May 19, 2010

Keynote Presentation at 8AM – 9AM, Room 6C

New Materials and Processes Driving Boeing's Products Forward // Frank Doerner

Featured Lecture at 9AM – 9:50AM, Room 2B

Composites in Canada // Dr Andrew Johnston

Featured Lecture at 2PM – 2:50PM, Room 307-308

Natural Materials // Mohini Sain

Student Social Event - 5PM – 6PM, North Galleria 2nd Floor

All badged students and recent graduates are welcome at this FREE mixer. Take advantage of this fantastic opportunity to make new connections. Free drinks and snacks will be served, and over \$1000 in prizes will be raffled off.

Thursday May 20, 2010

Featured Lecture at 8AM – 8:50AM, Room 307-308

Wind Energy // Dr. Enrique Garcia

Featured Lecture at 8:50AM – 9:40AM, Room 307-308

Innovation: The Modern Energy Challenge // Dr. Ian Chatting

SAMPE Luncheon – 12PM – 2PM, Room 6C

Luncheon is included with full conference registration!
